

CRANIO-SACRAL REFLEXOLOGY INTERNATIONAL

...Academy of Excellence

New course starting on February 8-9-10, and March 8-9-10, 2019

542hrs CRANIO-SACRAL REFLEXOLOGY Offered in English

Cranio-Sacral Reflexologist can achieve the same result as a cranial osteopath by treating the bones of the feet where the skull and sacrum are reflected at specific point. Cranio-Sacral Reflexologist works to eliminate the underlying source of any dysfunction through reflexology and cranio-sacral techniques, restoring health and vitality, and eliminating the symptoms.

Course Outline for Advanced Level Basic Cranio-Sacral protocol 6 days \$1110:

- Anatomy of the cranium: bones, sutures, and membranes.
- Primary Respiratory Mechanism, Cerebro-Spinal Fluid, flexion and extension of the SBS.
- Endocrine and central nervous systems.
- Position of the spine on the feet, assessment and diagnosis.
- Plexuses and hormones.
- Autonomic nervous system.
- Cranial nerves, venous sinuses and venous drainage.
- Arterial blood supply to the neck and brain.
- Basic Cranio-Sacral Protocol.
- Specific points for shoulder, hip, elbow and knee.
